The collage features several staves of handwritten musical notation in black ink on aged, yellowed paper. The paper is torn at the edges. Annotations include the date "December 1934" in cursive, and several headings: "Montant total", "Chats Comptant", and "Etoliers". There are also smaller handwritten notes and numbers, such as "N. 125" and "E. N.". Illustrations include a butterfly with black, yellow, and white markings, and a small black bird perched on a branch. The collage is framed by red hearts and the number "4" at the top and bottom right.
