THE OSTRICH ZINE

© Elogio del Rebuzno- Daniel de Culla

"What is this?" mumbled one to the other, "A religion based on The Goddess of Confusion? It is utter madness!"

And with those words, each looked at the other in absolute awe. Omar began to giggle. Mal began to laugh. Omar began jumping up and down. Mal was hooting and hollering to beat all hell. And amid squeals of mirth and with tears on their cheeks, each appointed the other to be high priest of his own madness, and together they declared themselves to be a society of Discordia, for what ever that may turn out to be.

"But there is no house next door."
"No? Then let's go build one!"

Bird that runs & not flies, when is in danger hides its head.

HOLY NAMES

③

Discordians have a tradition of assuming HOLY NAMES. This is not unique with Erisianism, of course. I suppose that Pope Paul is the son of Mr. & Mrs. VI?

And also TITLES OF MYSTICAL IMPORT.

THE LAST WORD

The foregoing document was revealed to Mal-2 by the Goddess Herself through many consultations with Her within his Pineal Gland. It is guaranteed to be the Word of Goddess. However, it is only fair to state that Goddess doesn't always say the same thing to each listener, and that other Episkoposes are sometimes told quite different things in their Revelations, which are also the Word of Goddess. Consequently, if you prefer a Discordian Sect other than POEE, then none of these Truths are binding, and it is a rotten shame that you have read all the way down to the very last word.

DID YOU KNOW THAT YOU HAVE A LOPSIDED PINEAL GLAND?

Well, probably you do have one, and it's unfortunate because lopsided Pineal Glands have perverted the Free Spirit of Man, and subverted Life into a frustrating, unhappy and hopeless mess.

Fortunately, you have before you a handbook that will show you how to discover your salvation through ERIS, THE GODDESS OF CONFUSION. It will advise you how to balance your Pineal Gland and reach spiritual illumination. And it will teach you how to turn your miserable mess into a beautiful, joyful, and splendid one.

... develop himself. I return to find this development approaching completion, but hindered by fear and by misunderstanding.

You have built for yourselves psychic suits of armor, and clad in them, your vision is restricted, your movements are clumsy and painful, your skin is bruised, and your spirit is broiled in the sun.

I am chaos. I am the substance from which your artists and scientists build rhythms. I am the spirit with which your children and clowns laugh in happy anarchy. I am chaos. I am alive, and I tell you that you are free.

During the next months they studied philosophies and theologies, and learned that ERIS or DISCORDIA was primarily feared by the ancients as being disruptive. Indeed, the very concept of chaos was still considered equivilent to strife and treated as a negative. "No wonder things are all screwed up," they concluded, "they have got it all backwards." They found that the principle of disorder was every much as significant as the principle of order.

With this in mind, they studied the strange yin-yang. During a meditation one afternoon, a voice came to them:

It is called THE SACRED CHAO. I appoint you Keepers of It. Therein you will find anything you like. Speak of Me as DISCORD, to show contrast to the pentagon. Tell constricted mankind that there are no rules, unless they choose to invent rules. Keep close the words of Syadasti: 'TIS AN ILL WIND THAT BLOWS NO MINDS. And remember that there is no tyranny in the State of Confusion. For further information, consult your pineal gland.
